Dear Editor:

On behalf of everyone affiliated with Busy Brains Children's Museum, I would like to express my sincere gratitude to the residents of Lake Villa, the Village Board and the Parks Department for their unwavering support as we sought to have the museum built in Lake Villa.

Although the referendum vote did not produce our desired results, it does not change the hard work, dedication and commitment put forth by all parties involved. We will continue in our quest to bring Lake County families a children's museum that we can all be proud of and enjoy for many years to come and we look forward to seeing you all down the road.
