**FOR IMMEDIATE RELEASE**

**BUSY BRAINS CHILDREN'S MUSEUM**

**TO HOST VOLUNTEER FAIR JULY 20**

**Grayslake, IL---** Busy Brains Children's Museum, which plans to open in Lake County in late 2009, will host a Volunteer Fair on Sunday, July 20, 11:00 a.m.-2:00 p.m. at Viking Park in Gurnee.

Attendees will have the opportunity to meet with Board members and Committee Chairs for Marketing, Fundraising and Grants. Children are invited to attend, as Busy Brains traveling exhibits will be on-site. Volunteer time commitments typically include a one-hour monthly committee meeting in the evening and helping staff the Busy Brains booth at community events.

Currently, Busy Brains offers eight traveling rental exhibits geared toward birthday parties, schools, corporate events, day camps and family events including:

- **Mystery of Flight** (teaches about air flow and how airplanes stay aloft)
- **Good Vibrations** (discover how music uses sound waves to travel)
- **Touch! See! Smell! Hear!** (reinforces the concept of sense while learning new vocabulary)
- **Zzrrrrmmm!** (uses washers and pipes to help kids understand gravity)
- **Construct** (work with PVC pipes and connectors to build structures)
- **Rub a Dub** (create pictures using a simple crayon)
- **Pressures** (harness air and water pressure to create a tornado and fountain)
- **Excavation** (pretend to be a truck driver and dig away at the kids table)

For more information about the museum, traveling exhibits or volunteer and fundraising opportunities, visit [www.busybrains.org](http://www.busybrains.org) or call 224-381-0138.
